COVID-19 Update (11-13-20):

Dear Faith Church,

As you probably know and have heard, Governor Reynolds recently gave a new proclamation relative to the enhanced public health measures. A summary of the proclamation is attached and for the safety and health of all, we plan to follow these requirements. The community spread of COVID 19 is significant and COVID 19 cases are on the rise in our church, community and county.

It is very difficult to know what we should be doing in these unprecedented times and so we ask that grace and patience be in abundance during this time. Based on the proclamation, the following procedures will now be in place:

1. Since our Sunday Service includes more than 25 people, we will now require the use of masks anytime you are not seated in the pew. Masks are still required when singing and masks will be required for Sunday School.
2. Additional 6 foot distancing will be enforced.
3. We ask that when entering and leaving church that you maintain 6 foot distance between you and others not in your family and ask that you not gather in the fellowship hall after church.
4. We will continue to provide livestreaming of the service on Facebook for those desiring not to or are unable to attend.

If you or anyone in your family have any symptoms, we ask that you please stay home. As it relates to our other ministries, we ask that you wear masks at all times when inside. We will continue to follow the lead of the schools relative to the meeting and requirements of our other activities.
