March 1, 2021

NOTICE: Due to the steep decline in positive COVID-19 cases in both the State of Iowa and Marion County and the continued rollout of vaccinations across the state, Faith Church Council is not requiring the wearing of masks at church but still encourages you to do so, if that makes you feel more comfortable. At this time, we will continue to encourage physical distancing by leaving every other bench open during worship. Please continue to respect and extend grace to all, no matter their preference or decision.
