

MINISTRY:

“We learn to serve people, not because we will get anything from it or that others will see it, or to gain any moral high ground or superiority, but simply because a person is in need. The core of service to another comes from the example that Jesus Christ set for us.” (Daniel Burton)

Challenge of the Week

Ministry

Practice: Service of bearing the burdens of each other. Call up or visit a friend who is going through a hard time right now. Ask them how they are doing (really doing), and then really listen. Offer any encouragement you can but most especially PRAY for them! Maybe even do it right there when they can hear you pray aloud over their troubles.
