

A new season of Coffee Break is right around the corner! We will be kicking off September 10. Our beginning Bible Study will be on the book of I Samuel.

Coffee Break is a nondenominational small group Bible study that is open to all women of the community. Study material is provided, and no previous Bible knowledge is necessary. We meet at the church weekly on Wednesday mornings at 9:45 AM, from September through April.

While moms are participating in Bible study, children can participate in their own programs...

Children's programs: join us in activities that present the gospel through Bible stories, Christian songs, creative learning sessions, crafts, snacks, and appropriate behavior skills in free play.

Little Lambs - 2-3 year-olds

Story Hour - children ages 3 - 6 years

Nursery - infants and toddlers

(There are no fees for any of the programs.)
