

This Outing Is Full!

Faith Church Outing for Men and Boys, Tuesday August 9, 2022
(Ages 6-100; 17 and under need to be accompanied by an adult)

Kinze Mfg., Williamsburg

Visit the Innovation Center and take a non-walking factory tour.

Closed toe shoes and modest clothing required.

Back in 1965, a 21-year old farm boy from Victor, Iowa with an ability to “fix things” opened his own welding shop, with a small bank loan and \$25 in his pocket. Everyone knew young Jon Kinzenbaw had a gift. But no one could have predicted his little welding business would grow into one of the largest, privately held agricultural equipment manufacturers in North America.

The only cost will be the price of your lunch.
