

YOUR PARTICIPATION NEEDED: During the season of Advent we will be

looking through the scriptures for the ways God reveals his Heseid. Heseid is the Hebrew word most often translated as love or lovingkindness and refers to the way God will never break his covenant with his people, but continually call them back in love. This is where you come in, you are invited to take a heart (if about love) or a triangle (if about faithfulness) from the table in the foyer and write down your testimony. On it you can “tell of a time when” or “share where have you experienced ” or “offer the name of someone through whom you have been shown” God’s unconditional love or God’s faithfulness. Once it is written find a place to hang it on the tree and we will fill the tree with testimonies of God’s work in our lives.
